4K 2021-22

Community registration is now open for 4K this coming school year. If you were on our priority registration list for 4K and have decided to attend elsewhere, please let us know as soon as possible. If your home residence is outside of Appleton and you have enrolled in our 4K program, please ensure you complete the Open Enrollment process prior to April 30th.

Summer Schedules/Guest Speakers

If you have not yet contacted Kristin regarding summer care, please do so as soon as possible. Also, if you or someone you know would be interested in coming in as a guest speaker to talk about their profession or to even showcase a talent they may have, our older classrooms are always looking for new ideas. Please let someone from the Front Office know of your interest, and we will schedule a time during the summer months.

Pyramid Model

Play "bucket hoops." Have your child stand about 6 feet away and throw a medium-size ball at a large bucket or trash can.
