Summer Reminders

- Outdoor water play will begin the week of June 7th (weather permitting). Each classroom is assigned a day to have sprinkler fun each week. Please remember that each child will need a swimsuit (or extra set of clothes), towel, and shoes that can get wet to be able to participate in sprinkler days.
- When purchasing summer shoes, please remember that all shoes must have backs on them. For outside play, they also need to have a closed toe.
- Sunscreen application starts on May 3rd. Please remember that ATC teachers will apply sunscreen in the afternoon only. If your child does not have a signed slip for either our sunscreen or one that you provide, they will be given a long sleeve shirt to wear and a hat in order to still be outside.

Pyramid Model

Play “mystery sound.” Select household items that make distinct sounds such as a clock, cereal box, metal lid (placed on a pan), and potato chip bag. Put a blindfold on your child and have them try to guess which object made the sound. Take turns with your child.
