Drop off and Pick up

Our parking lot is a one-way direction. Please exit near the dumpsters and around the corner. It is imperative that all families follow the one-way to ensure safety. We did recently add 7 new parking spots that are near the dumpster area.

In-Service Day

Thank you so much for supporting our in-service day. We had continuing education training and virtual collaboration time with the team. Our next in-service day will take place on Friday, February 17th, 2023.

Gallery Walk

The Gallery Walk continues through November 2nd. Check out the masterpieces in the hallways and place your bid at the Front Desk. All proceeds go directly back into the classrooms.

Family Expansion

As a reminder, if you are in the planning stages of expanding your family, please let us know as soon as possible. When you do get a positive test, please inform someone at the Front Desk immediately. This information is kept confidential, but it will help to ensure a space is available for your infant. Due to group sizes maxing out at eight, waiting longer to share the good news can result in being on the Wait List. If you have questions, please see a member of the Front Office.

Apple of Our Eye

Please complete an Apple of Our Eye located at the Front Desk or online if you see something amazing from a team member!

Donations

Thank you to the following families for their recent donations: Cabelka- Baby bottles, Mansfield- paper, Mevel- toy, Pintarelli- snow gear, Baker- art supplies

Scholastic Book Orders

Book orders are due by December 8th either by check (made out to Scholastic) given to Miss Courtney at the Front Desk or online. The scholastic flyers are available at the Front Desk. Our school activation code is P6299 for online ordering.

Apple Tree Dash for Dreams Results

The preliminary total has come in and our annual 5K run/walk brought in just over \$3,000 for the Make-a-Wish Foundation of Wisconsin! Once we know what wish or wishes we were able to grant, we will let everyone know. Thank you for helping to make wishes come true!!

Pyramid Model

As a pyramid model refresh the classrooms are going to be working on the same theme each month, this month we will be focusing on Tucker Turtle. Linked is our [website](#) that has the Tucker Turtle story available to print if you would like to use this at home. The classrooms use this story and stuffed animal as an introduction to Pyramid Model and different techniques that can be used in a stressful moment or challenging time.

Community Involvement

During the month, Apple Tree is participating in a Food Drive. There are bins located at the front lobby where donations can be made. Canned food and non-perishable items can be donated until November 13th.
